

INVITATION

44TH ANNUAL GENERAL MEETING OF PRODUCERS GOVERNED BY THE PLAN CONJOINT DES PRODUCTEURS DE BOVINS DU QUÉBEC

To all cattle producers,

You are invited to the Annual General Meeting (AGM) of the Québec cattle producers to be held on March 24 and 25, 2026, at **Hôtel Le Concorde Québec** (1225 Cours du Général-de Montcalm in Québec City). This meeting is an opportunity for Québec's cattle producers to come together. Please note that only cattle producers appointed as their regional union's delegates will have voting rights at this meeting.

The AGM meeting agenda found on the back of this Notice of meeting outlines the business at hand. Of note, meeting delegates subject to the *Plan conjoint des producteurs de bovins du Québec* will be called to vote on an amendment to the *Règlement sur les contributions des producteurs de bovins*.

Kindly review the rules of order prior to your arrival, as these will not be read during the meeting. All the AGM's documentation will be available at: <https://bovin.qc.ca/en/meetings/2026-2/>.

By taking part in the AGM, you are taking part in the discussions that ultimately inform the overall orientations of your organization. I encourage you to attend and take advantage of this yearly opportunity to fraternize with your peer cattle producers and meet representatives from the cattle sector, namely during each production sector's workshop session as well as during the cocktail and banquet events.

Producers who wish to attend but who are not regional delegates must confirm their attendance by contacting Annie Provost-Savoie by phone (450 679-0540, ext. 8287) or by email (pbq@upa.qc.ca).

Producers who cannot attend the AGM may watch the plenary session online to be livestreamed from the PBQ's YouTube channel and the PBQ's Facebook page at the following links: <https://cutt.ly/youtubePBQ> (Live tab) and <https://cutt.ly/Facebook-PBQ>.

2025 ANNUAL ACTIVITIES REPORT

Find enclosed the PBQ's *2025 Annual Activities Report*. As you read through it, you will see the diversity of work that took place over the last year and learn about the numerous challenges to be met by our organization over the coming year.

Enjoy the report, and I count on having you with us at the meeting.
